RE: **Recognitions of Voting Conditions and Influences**

Chapter 9, Case No. 13-53846;

2014 JUL 21 A 10:22

Judge Steven Rhodes, U.S. Bankruptcy Court,

U.S. BANKRUPTCY COURT
E.D. MICHIGAN-DETROIT

Eastern District of Michigan, Southern Division

I, Brenda Davis want my
circumstances to be known, stated, recorded, documented and/or filed that the
votes I casted on behalf of the Bankruptcy Plan of Adjustment; albeit, reject or
accept the plans, were submitted Under Duress. For voting was forced upon me,
threats of worsening proportions were stated, and as a result, my actions of
voting were a result of stress and fear. Basically, the act of voting was Under
Duress because it was an action that I would not have conceded to otherwise.

Sincerely,
